Iman, Ivote threat haunts supervisors

What the board of ourservicore really imende to do come? redictricting the county for the year's election was our off for at least another week when the

board mer this Monday.
The topic came out in the open only once during the day but various supervicars buddled over it in the morning and four of the flve caucuard in the judgeo' chambors during the afternoon for half on hour and cold afterwards they'd traft until next Monday. Presumably that was because R.G. Hubbard. jr., Beat 5 member who had long advocated an equitable apportionment of the county, did not return to witness the port and harbor commissions s land transfer coremony after lunch. k takes all five ougervicors to act on redictricting.

Beat I Supervicor H.G. Dean told his colleagues a decision had to be made as the board prepared to recess for lunch. He voiced carong disapproval of the "at large" providion in the plan the board now seems inclined to follow. The Pearlington reprecemative recalled he had voted for the "one manone vote" plan last October when the federal courts ordered the board to submit its reasportionment formula and complained that had been changed to have outervicors run as

large.
"I really don't believe the courts are going to accept anything other than a one man, one vote plan." Dean asserted. He cited the amicuo curae brief filed last month by the U.S. coli-citor general, Thurgood Maraball, asking the Supreme Court to rule that way in five local redistricting cases now pending before it.

Dolph Kellar, supervisor from Beat 2 which now contains only four and one-half sections abtenble land painted to a plan, especially after numerous technicality. The supervisors, he said, were under federal court order to submit a plan of redictricting-the court did not order the board to redictrict.

Anyway, Dean retorted, he wiched the board would make 4 to 7:30 p.m. Mondays, Wed- up its mind what it was going needays and Fridays while the to do. Harrison County also up its mind what it was going Dixie Boyo, a new group of has a federal suit pending and lade from 13 to 15 years old, the supervicors there are runwill play from 3 to 7:30 p.m. ning intheir existing beats while Tuesdays and Thursdays. The Pearl River County is running Divide Form League, composed at large with the old beats, he mostly of youngovers not yet observed. The Hancock plan is ready for the Divise League, like no other, he contended.

Dean also reported he was (Cont. on Page 5-A.)

Another trio of candidates for the Democratic primary Aug. 8 made their formal announcements this week.

They are I.C. Ainsworth of Taylorsville, 47, who is running for state highway commissioner from the southern district; Wade O. Smith of Progress. seeking Post I seat in the state House of Representatives from the new Hancock-Pearl River district; and Lamor Otis, candidate for re-election for a third term as circuit clerk. Smith currently is the Pearl River County representative.

Meanwhile, five candidates we filed their qualifications for office with Leo W. Seal, jr., secretary of the county Democratic executive committee. Three are running for sheriff and tax collector: Eido H. Depreo, Welton Acodner and Thomas J. Whitfield. Otis qualified for circuit clerk and Russell J. Elliott for Beat 5 super-

Elliott, Ladner and Otis also signed this week the corrupt practices act oath along with Pete Noto who is running for Beat 5 constable.

The pay raise, estimated to cost the system \$7,900 per year Deadline to file for the primary is June 9-60 days before from district funds, will bring their teachers' salaries almost the voting.

the sub-division ordinance was city-county memorial library called for May 15 after Lucien Carmichael, local real estate man, told the board some provisions of the new law are running developers out of Hancock County without justifica-

Carmichael suggested the supervisors had been too busy with other items to look closely into some aspects of the plan which is modeled after proposals from Louis Bisso of Planning Services, Inc., of New Orleans, retained some years ago to develop a master plan. Carmichael complained that it did nothing to upgrade existing sub-divisions which created problems and simply stifled new growth.

Board President R.G. Hubbard, jr., of Beat 5 conceded the rules might be "too strict" and wondered about clay gravel streets for the sub-divisions outside me dispolities. Dolph Keller of Box 2 countered that maintenance of such atreets would cost the county a lot of money.

The three of the five superits first April meeting Monday, the meeting informally agreed A public hearing to revise to a .75 mill increase to the to provide the 40 per cent of local funds needed for a new

building. Mrs. William Hilliker and Mrs. Lloyd Griffith of the library board explained they are preparing the preliminary application for matching funds and needed to know what county support might be expected. They explained that the present structure contains 20,000 volumes in 2,000 square feet of space which does not properly display them or permit use. The library now gets .25 mill and state law permits a levy up

to 1 mill Mrs. Griffith noted that all information points to securing a new site in the heart of the town which will run up land costs. Some 5,000 square feet are needed to house the present books but in 10 years 8,000 square feet would be necessary on ropulation projections. County Sanitarian Wayne Alliston outlined his problems resulting from a 250 per cent increase in trash over the last five years and asked for the supervisors cooperation in combating indiscriminate dump-Ing. Both sheriff's deputies and city police have agreed to check sore spots and Alliston will sign the necessary warrants to prosecute offenders. He said he would get in touch with property owners to inform them of clear-

ing the dumps.

While the hig trouble right now is with refrigerators. washing machines and the like. Alliston warned that wet garhage will follow those items and the crab and shrimp season is coming up shortly to create more stench.

County Engineer George Wier was authorized to advertise for bids as coon as the state aid division of the State Highway Department and the U.S. Bureau of Public Roads give the go-cheed on plane for repairing Hurricane Betsy's damage on the beachfront road. Wier sold he expects to turn in all his material next Monday. After extended questioning the board concurred with Wier's request directing all beachfrom property owners to open pipes for surface drainage water to flow into the proper culverts under the seawall. Wier estimated about 50 drains over the length of the project have been covered with garden grass or otherwise stopped. Opening of these drains is a part

the project -ER 62 (1). Wier also adviced that sand from the new berm, blown onto the road in last weekend's high winds, has been acraped to the outer edge and will be used to fill under the seawall as part of the repair job.

Post 1 - District # 50 Pearl River and Hancock Counties

覧O THE VOTER S翌F. PEARL RIVER AND HANCOCK COUNTIES

the office of state representative, I am a candidate for post #1 of dictrict #50 which is composed of Pearl River and Han-

First let me thank burd and the fine people of Pearl River County, who four years ago, gave me one of the largest majority ever given a candidate for representative of this county. In majority when the 22 posters. I would also like to thank the people of my home precinct who gave me all but 3 of a total of 163 votes. This is something I shall always be proud of, I would like to say that I have enjoyed every nutrice of berving as a sure representative. Although I did not vote for it we are being torced, by a federal court order, to run for office in both Pearl River and Hancock counties. The state legislature will be faced with reapportionment during the next administration. Then maybe we will be districts aligned more on county lines.

lafty-six years of age being the oldest son of the lote Res. G.W. Smith, jr. and Sula i. Ladner Smith. My fortier on ordained Baptist millister. I am married to the former Loyce Ward of Winston County, Mississippi. We have four children. I am a farmer operating my own small-form. My wife is a school teacher holding a B. A. degree from M.S.C.W. I am a member of the Hickory Springs Baptiot Church. I have formerly served a s president of the Wolf River Wildlife Council for two ,earg. Also I have served the Wolf River Wildlife Council.

Form Bureau for three years. Also I have served as a director of the Pearl River County Farm Bureau, I am now a member of the Pearl River County and The Missiosippi Transper's Ascociational River Tourist as state re-precedence from Pearl River Tourist. I serve on the following committees: pensions and social welfare, education, agriculture, municipalities, and livestock and poultry. My formal education consists of two years attendance at l'earl River Junior College. I reside in the Progress Community nine miles southeast of Poplarville, Mississippi. I have lived here all but one or two years of my life.

I feel that I am now better qualified, having served one term in the House of Representatives, I xperience is valuable in your crate legislature as shown by the fact the speaker and all the chairmen of the important committees are all members with at least one term. As to my honesty and integrity I refer you to any of my deighbors of Pearl River

County.
As I did four years ago, I am basing my platform on a program to benefit the average person of Pearl River and Honcock Counties. I will at all times think of the effect that any new law or the repeal of a law will have upon all of the people of our district.

A few of the things I have supported since my election: 1. Support of all major progressive legislation for education at all levels.

2. Increased appropriations for public education \$56,124,734.00 or about 38%.

3. Increaced appropriations \$28,464,569.88 or about 82%. 4. Vocational and technique plining act for Junior (ol-

5. Higher polaries for public school teachers Withholding two of the four mills state ad valorem tan for industrial or Junior College support.

7. Store highway commission to maintain U.S. '0 and U. S. 11 ofter completion of the interstate highways.

8. Additional revenue for state aid ros to 9. Increased appropriations of \$4,584,971.0° or about

17% for the aged and needy. 10. Increased appropriations of \$0,685,971.00 or about

35% for inocpitals and hospital schools. 11. Medical assistance program for needy persons, 65 years and older not receiving old age assistance, under

certain conditions 12. Forcest products, utilization laboratory at Mississippi State University.

I will support if re-elected the following things:

1. Continuation of americand Fire paper.

2. Counties to keep their share of goesline tax.

3. Location of new industries and port development in Pearl River and Hancock Counties.

4. \$75.00 per month for the aged and needy people.

o close representative and the things I propose to do, then vole on August Eth, 1967, for Wade O. Smith, Post of, State Representative Real River and Hancock Counties. I will make the control to see an inany voters as possible before

#### 3 Bay High choral entries rated superior

Three ontrice from Bay Sonfor High School vore judged outperfor in the Diagric 8 charal footival last Saturday at Per-lancton Jumor College, Mrs. Toy Tediord, jr. charal director, reported.

Winning the top rating were the 50-voice mixed cherus, the boyo cherus of 20 members and the mixed quartet composed of Carol Sanford, Both Mestayer, Steve Davis and John Pittconbargar. Mrs. Tedford was informed the Bay boys' chorus was the first to enter compotition in many years and it was invited to sing in the concert that night.

Excellent rating went to the girlo' chorus, girlo' contet and boys' quartet, the other three entries from here.

Now thoughing the serious see the prospecthvo condidatos in this yours county oloctions wo can't holy but got arouned at the pickle in which the supervicers have left those peer people including thomsolves. And it all stems from the failure of the supervicers to comy out their eather of effice.

An it now niendo, no one in cortain whether the supervisors will run at large, but live in the proacat bosts, whother they will run as in the paster whotherthey will run in newly decign gied boots under the one-man. one-vote principle. The same confusion epplies to the constables and justices of the poeco.

Last year, a special three judge federal district court ordinad the cuporvicors to submit a plan for rodistricting. The supervisors voted such a plan. which the plaintiffs accepted, then adopted a tentativo proposed to run et largo, which was contosted by the plaintiffs. Comehow, the two proceedings wore reversed in the minutes and the at large proposed was submitted to the court as the first alternete. Lest month the supervisors said they'd ress of lego. Mosawhile, the special district court has not medo its final order, apparontly because similar -eason are on the docket of the U.S. Supreme Court, end the district court, understandably, to waiting for the determination of the higher court.

Anyhow, without worrying about the U.S. Constitution, the dilemma would long ago have been recolvod, the county paved covered thousands of dollers, end the plaintiffs in the cuit the seng, if only the supervicess lived up to their eather-of office. Soc. 2370 of the Mississippi Code of 1942, eletes "Each county chall be divided into five is diewiew, with due regard to equality of population."

#### Wallace vs. Maddox

There's an interesting comparison between the most heading politicians, the governor of Constitutional the governor of Alabama, They're good to the bolder of the governor of Alabama, They're good to the contract of the con the first things Medden did after his insuguration the Wollocoo, both Lurleen and George, over to Allin creso viois.

Theco was mon, if they agreed, probably or the South for or against Lyndon Johnson and the Democratic Kovovor, they are baying a hard time getting with When the new governor of Control went to the for the recent covernore conference, Lyndon Com way to be also to him, and Leaver came back that didomi'd project perconally. He daid, however, this bocomo moro concorvotivo.

George Wallace, on the other hand, cooled his best in room across from the treasury while his vise, the the problem. Corre were back to Morgomory late.
But what Madden doors soom to rolle distributions Congo Wallace is that, aside from integration, William og Mharol og Jahreon.

RICHARDSON Assistant Cashier

To the people of Hancock County we express our sincere gratitude for your continuing friendship.

The overwhelming enthusiasm and approval with which you greeted the news of the expansion of your bank has been heartening to us. Merchants Bank is your bank, and it will be your bank!

With the enlargement of the Waveland branch bank and the opening of a new branch bank in Gulfport, your bank is moving ahead dramatically. Encouraged by your support and faith in our efforts, we pledge ourselves to serve you fully with the very best of banking services.

Exciting things will be happening at Merchants Bank. The future is a challenging frontier for the people of Hancock County and for their bank.

If we didn't, we couldn't honestly say WE CARE. Could we?

You see, before any product is allowed on our shelves, we've checked it out pretty carefully.

We've checked the company that makes it. We've checked to be sure the product is all the package says it is.

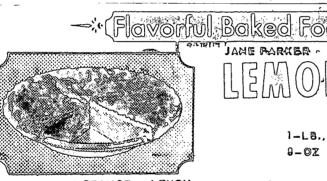

If you ever buy anything at A&P you're not happy with, you don't have to bother to write a letter to the company that made it. Just tell your A&P store manager. He'll give you your money back. We'll get in touch with that company for you... and for us.

That's A&P's guarantee.

No matter who makes it, if A&P sells it, A&P guarantees it.

Not every store can offer you a guarantee like that. A&P can...and does. Shouldn't A&P be your store?

#### Gripe corner

Sort of difficult to rouge the energy to gripe in this lazily, lovely opring weather, but once egain balmy temperatures have filled the streets with crain toto riding merrily along on their wobbly bicycles, darting in front of cars simply because they're much too young to be aware of danger. Weekenders are the worst offenders, as they fail to realize that a 'country care can be just as deadly as any in the city and traffic is too thick all over to allow little ones freedom . of former years.

Polly (Mrs. James) McConnell has more than just a broken foot. ..ohe's also suffering from cabin lever after remaining at home for the past three weeks.

Jimmy Logosse reports or least 100 couples amended the St. Clare's Parish hall dance Saturday night, it would be engler to mention those who weren't on hand than to list those that were! Jimmy, incidentally, went cang no wife. Phyl, wan in the Creecent City for the weekend.

Mr. Ainswerth basss his intention to seek office as a highway commissioner on his successful administration of his own LP Gas and trucking businesses, forming activities, and his close association with the highway operations of South Mississippi as a highway user.

His properci densuncoment follows:

"I owinit to the votore of the Southern District of Michigalppi my condidicty for commissioner of highways of the Southern District of Michigalph, firm in my belief that I can offer to the people and the highway woord cound apportage in business would to the office.

My character and conduct I ballove can exact the most critical examination and my integrity is. I believe, unquestionable. I shall make this rese upon my own marks.

I wish to say at the outest that if elected, and I run with that purpace only, my office will always be open to the public and I will attend all conformacon roladio to the noode of the highways and I assure the public I will cooperate with municipal efficials and county supervicers and ciaco oldicialo allico. Ececcially, do I offer cooperation on foodble righte-of-way nego-

tictions that may require the accomplos of the commission.

I am a firm believer in personizing Micologippi enterprise and burdinesses and its the Buy in Micologippi movement. I will conduct the burdiness of the case highway commission and department with the come chose execution and officionsy that I now conduct my own

SATINTONE

LATEX WALL PAINT

Why knock yourself out housecleaning, scrubbing walls and wecdwork, when there is an easier way to lovelier rooms? It's called SatinTone Latex Wall Paint. It is easier to apply SatinTone to a wall than it is to scrub it—

and a lot more satisfying. SatinTone dries in a liffy, stays bright and fresh for years. Do easy on yourself and colorful, too . . . choose SatinTone Lotex Wall Paint.
